Download a PDF of Official Results Report

Using CoVerified Mobile Apps for Downloading Official Results Report

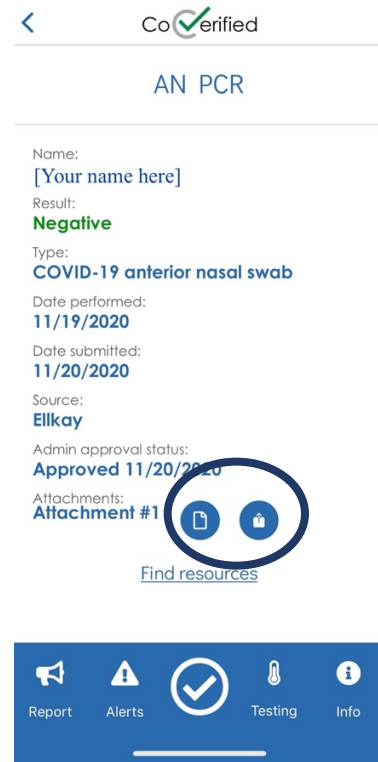

1. At the bottom of the home page you will see “Testing.” Click “Testing.”
2. When you click “Testing,” the following screen will appear. Click on the blue clipboard symbol to view testing history.

3. Click on the blue arrow of the date you would like results for.

4. Click on the paper sign to view results or the upload sign to download and send results.

Using the Web Version for Downloading Official Results Report

Downloading Official Results

1. Click on “Test Result history”
2. Select “View” for the test result of the appropriate date.
